CERTIFICATE

SGU- Management System Certificate

SCC^P

Unlimited Certificate Petrochemical

Kiwa International Cert GmbH

certifies that the company

FRIEDRICH VORWERK

Unternehmensgruppe

Harburger Straße 19
21255 Tostedt
Germany

for the scope

Planning, engineering and execution of projects in the fields of:

Pipeline and piping construction, pipeline welding technology, cable line construction including cable salvage, sewer construction, plant construction including pre-manufacturing, civil engineering, construction of roads and pathways, hydraulic engineering, horizontal directional drilling technology (HDD), wastewater engineering, non-destructive material testing, electrical instrumentation and control engineering (EI&C);

Service, maintenance, inspection and operational management of pipelines and process plants including secondary systems;

Water and air pressure testing, cleaning and inspection pigging, intelligent pigging, drying and inertization of pipelines and facilities;

Planning, production, installation and maintenance of cathodic corrosion protection systems.

has implemented a SGU-Management system in compliance with the SCC^P unlimited petrochemical certificate standard and this meets the set of normative regulations for the „Safety Certificate Contractors“ (SCC-VAZ 2021).

This multisite certificate applies to all sites listed in the appendix.
