Kiwa International Cert GmbH
certifies that the company

FRIEDRICH VORWERK
Unternehmensgruppe

Harburger Straße 19
21255 Tostedt
Germany

for the scope

Planning, engineering and execution of projects in the fields of:

Pipeline and piping construction, pipeline welding technology, cable line construction including cable salvage, sewer construction, plant construction including pre-manufacturing, civil engineering, construction of roads and pathways, hydraulic engineering, horizontal directional drilling technology (HDD), wastewater engineering, electrical instrumentation and control engineering (EI&C);

Service, maintenance, inspection and operational management of pipelines and process plants including secondary systems;

Water and air pressure testing, cleaning and inspection pigging, intelligent pigging, drying and inertization of pipelines and facilities;

Planning, production, installation and maintenance of cathodic corrosion protection systems.

has implemented and applies an Energy Management System which is in compliance with the requirements of

DIN EN ISO 50001:2018

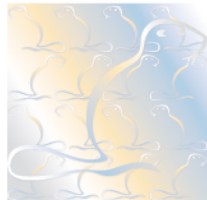

This multisite certificate applies to all sites listed in the appendix.
